Dear Dr. Kioumehr,

I would like to congratulate you on being nominated for the 1999 Fernando Award, an honor which recognizes individuals for outstanding service to the San Fernando Valley. Being nominated for this award is indicative of the numerous years of dedication, care, and commitment that you have given to our community.

Since 1958, the Fernando Award Foundation has been recognizing outstanding volunteers who contribute to our community. The award, a statue of a Native American man, reminds us of the original inhabitants of the San Fernando Valley. A nomination for this prestigious award signifies that you too, much like the Native American, have forever left an indelible mark on our Valley.

I commend you for your unwavering devotion to our community. Your commitment inspires us all.
